December 8, 2024 Meet the Press  
Kristen Welker's Interview with President-Elect  
Donald Trump  
Panel Discussion

<p>1 KRISTEN WELKER: This Sunday: return to 2 office. My exclusive interview with President- 3 elect Donald Trump. His plans for the economy, 4 and his promises for mass deportation. 5 KRISTEN WELKER: Is it your plan to 6 deport everyone who is here illegally over the 7 next four years? 8 PRESIDENT DONALD TRUMP: Well, I think 9 you have to do it 10 KRISTEN WELKER: And will he seek 11 retribution against his political enemies? Are 12 you going to go after Joe Biden? 13 PRESIDENT DONALD TRUMP: I'm really 14 looking to make our country successful. I'm not 15 looking to go back into the past. Retribution 16 will be through success. 17 KRISTEN WELKER: Plus, his vow to 18 pardon those convicted of attacking the Capitol 19 on January 6th. 20 PRESIDENT DONALD TRUMP: I'm going to 21 be acting very quickly. 22 KRISTEN WELKER: Within your first 100 23 days, first day? 24 PRESIDENT DONALD TRUMP: First day. 25 KRISTEN WELKER: And now that he's won</p> <p style="text-align: right;">Page 2</p>	<p>1 ranging conversation about what these next four 2 years will look like. He told me his first 100 3 days will focus on bringing down prices, 4 addressing the border and getting his cabinet 5 picks confirmed. And I asked him what he'll do 6 on his first day in office. 7 [BEGIN TAPE] 8 KRISTEN WELKER: I understand that on 9 day one you're going to be signing a flurry of 10 executive orders. 11 PRESIDENT DONALD TRUMP: Yes. A lot. 12 KRISTEN WELKER: Can you give me just-- 13 what are the top ones people should know about? 14 PRESIDENT DONALD TRUMP: Well, a lot of 15 it will have to do with economics. A lot's going 16 to have to do with energy. A lot's having to do 17 with the border. We're going to immediately 18 strengthen up the border and do a real job. And 19 some of the basics. 20 [END TAPE] 21 KRISTEN WELKER: I began the interview 22 with one of the top issues for voters: the 23 economy and the cost of living. 24 [BEGIN TAPE] 25 KRISTEN WELKER: I want to delve into</p> <p style="text-align: right;">Page 4</p>
<p>1 the 2024 election, has he changed his mind about 2 his 2020 loss? 3 For the sake of unifying this 4 country, will you concede the 2020 election and 5 turn the page on that chapter? 6 Joining me for insight and analysis are 7 NBC News Managing Washington Editor Carol Lee, 8 Politico "Playbook" Co-author Eugene Daniels, 9 Marc Short, former Chief of Staff to Vice 10 President Mike Pence and former White House Press 11 Secretary Jen Psaki. Welcome to Sunday, and a 12 special edition of Meet the Press. 13 ANNOUNCER: From NBC News in 14 Washington, the longest-running show in 15 television history, this is a special edition of 16 Meet the Press with Kristen Welker. 17 KRISTEN WELKER: Good Sunday morning. 18 President-elect Donald Trump is the first 19 president to win non-consecutive terms since 20 Grover Cleveland and we haven't heard from him 21 extensively since his decisive victory until now. 22 I sat down with the president-elect at Trump 23 Tower in New York on Friday for his first 24 broadcast interview since winning the election. 25 We spoke for nearly an hour and a half in a wide-</p> <p style="text-align: right;">Page 3</p>	<p>1 one of your signature promises on the campaign 2 trail, which was to end inflation, to lower 3 prices. You are now proposing tariffs against 4 the United States' three biggest trading 5 partners. Economists of all stripes say that 6 ultimately consumers pay the price of tariffs. 7 PRESIDENT DONALD TRUMP: I don't 8 believe that. 9 KRISTEN WELKER: Can you guarantee 10 American families won't pay more? 11 PRESIDENT DONALD TRUMP: I can't 12 guarantee anything. I can't guarantee tomorrow. 13 But I can say that if you look at my -- just pre- 14 Covid, we had the greatest economy in the history 15 of our country. And I had a lot of tariffs on a 16 lot of different countries, but in particular 17 China. We took in hundreds of billions of 18 dollars and we had no inflation. In fact, when I 19 handed it over, they didn't have inflation for a 20 year and a half. They went almost two years just 21 based on what I had created. And then they 22 created inflation with energy and with spending 23 too much. So, I think we will -- I'm a big 24 believer in tariffs. I think tariffs are the 25 most beautiful word. I think they're beautiful.</p> <p style="text-align: right;">Page 5</p>

<p>1 It's going to make us rich. We're subsidizing 2 Canada to the tune over \$100 billion a year. 3 We're subsidizing Mexico for almost \$300 billion. 4 We shouldn't be -- why are we subsidizing these 5 countries? If we're going to subsidize them, let 6 them become a state. We're subsidizing Mexico 7 and we're subsidizing Canada and we're 8 subsidizing many countries all over the world. 9 And all I want to do is I want to have a level, 10 fast, but fair playing field.</p> <p>11 KRISTEN WELKER: Sir, your previous 12 tariffs during your first administration cost 13 Americans some \$80 billion, and now you have 14 major companies from Walmart, Black &amp; Decker, 15 AutoZone, saying that any tariffs are going to 16 force them to drive up prices for their 17 consumers. How do you make sure that these CEOs, 18 that these companies don't, in fact, pass on the 19 cost of tariffs to their consumers?</p> <p>20 PRESIDENT DONALD TRUMP: They cost 21 Americans nothing. They made a great economy for 22 us. They also solve another problem. If we were 23 going to have problems having to do with wars and 24 having to do with other things, tariffs -- I have 25 stopped wars with tariffs by saying, "You guys</p> <p style="text-align: right;">Page 6</p>	<p>1 about 15 seconds after the call ended. It was at 2 Mar-a-Lago, we were having dinner, talking about 3 it. I said, "You have to close up your borders," 4 because they're coming in the northern border 5 too, a lot. Not like the southern border, but 6 they're coming in the Canadian border a lot. And 7 drugs are pouring in. Almost as importantly, 8 drugs are pouring in. Maybe more importantly. 9 Drugs are pouring in at levels never seen before, 10 10 times what we had. They're just pouring in. 11 We can't have open borders. And I said to the 12 president of Mexico and to Justin Trudeau, "If it 13 doesn't stop, I'm going to put tariffs on your 14 country at about 25 percent.</p> <p>15 KRISTEN WELKER: The chairman of the 16 Federal Reserve, Jerome Powell, said he will not 17 leave his post even if you ask him to. Will you 18 try to replace Jerome Powell?</p> <p>19 PRESIDENT DONALD TRUMP: No, I don't 20 think so. I don't see it. But, I don't -- I 21 think if I told him to, he would. But if I asked 22 him to, he probably wouldn't. But if I told him 23 to, he would.</p> <p>24 KRISTEN WELKER: You don't have plans 25 to do that right now?</p> <p style="text-align: right;">Page 8</p>
<p>1 want to fight, it's great. But both of you are 2 going to pay tariffs to the United States at 100 3 percent." And -- they have many purposes, 4 tariffs, if properly used. I don't say you use 5 them like a madman. I say properly used. But it 6 didn't cost this country anything. It made this 7 country money. And we never really got the 8 chance to go all out because we had to fight 9 Covid in the last part, and we did it very 10 successfully. And when I handed it over to 11 Biden, the stock market was higher than what it 12 was just previous to Covid coming in. It was 13 actually higher. Tariffs are a -- properly used, 14 are a very powerful tool, not only economically, 15 but also for getting other things outside of 16 economics.</p> <p>17 KRISTEN WELKER: Are you actually going 18 to impose these tariffs or are they a negotiating 19 tactic?</p> <p>20 PRESIDENT DONALD TRUMP: Well, I'll 21 give you an example. With Canada, and in 22 particular Mexico, we have millions of people 23 pouring into our country. You agree with that. 24 I spoke with the -- both -- I spoke with Justin 25 Trudeau. In fact, he flew to Mar-a-Lago, within</p> <p style="text-align: right;">Page 7</p>	<p>1 PRESIDENT DONALD TRUMP: No, I don't.</p> <p>2 KRISTEN WELKER: Okay. Let's talk 3 about mass deportation --</p> <p>4 PRESIDENT DONALD TRUMP: Okay.</p> <p>5 KRISTEN WELKER: -- one of your big 6 agenda items. You've talked about prioritizing 7 people who have criminal history.</p> <p>8 PRESIDENT DONALD TRUMP: Correct.</p> <p>9 KRISTEN WELKER: But is it your plan to 10 deport everyone who is here illegally over the 11 next four years?</p> <p>12 PRESIDENT DONALD TRUMP: Well, I think 13 you have to do it, and it's a hard -- it's a very 14 tough thing to do. It's -- but you have to have, 15 you know, you have rules, regulations, laws. 16 They came in illegally. You know the people that 17 have been treated very unfairly are the people 18 that have been online for ten years to come into 19 the country. And we're going to make it very 20 easy for people to come in in terms of they have 21 to pass the test. They have to be able to tell 22 you what the Statue of Liberty is. They have to 23 tell you a little bit about our country. They 24 have to love our country. They can't come out of 25 prisons. We don't want people that are in for</p> <p style="text-align: right;">Page 9</p>

<p>1 murder. So, we had 11,000 and 13,000, different  2 estimates. 13,099 murderers released into our  3 country over the last three years. They're  4 walking down the streets. They're walking next  5 to you and your family. And they're very  6 dangerous people –  7 KRISTEN WELKER: The 13,000 figure I  8 think goes back about 40 years.  9 PRESIDENT DONALD TRUMP: It goes --  10 nope. No, it doesn't  11 KRISTEN WELKER: That 13,000 figure.  12 PRESIDENT DONALD TRUMP: It's within  13 the three-year period. It's during the Biden  14 term. No, that was a fiction that they put that  15 out. This was done by the border patrol. It's  16 13,099 and it's during the Biden period of time.  17 And these are murderers, many of whom murdered  18 more than one person. You don't want those  19 people in this country.  20 KRISTEN WELKER: But you're saying  21 something, sir, that's significant. So, –  22 PRESIDENT DONALD TRUMP: Go ahead.  23 KRISTEN WELKER: I just want to make  24 sure I'm clear, which is that you're saying, yes,  25 you're going to focus on the people with criminal</p> <p style="text-align: right;">Page 10</p>	<p>1 police say that is not the case in Colorado.  2 PRESIDENT DONALD TRUMP: Oh, it's  3 totally the case. I mean, they have it on tape.  4 KRISTEN WELKER: You don't believe the  5 local police?  6 PRESIDENT DONALD TRUMP: I play it, I  7 used to play it at my rallies every single night.  8 No, it was breaking into doors. They're taking  9 over the building.  10 KRISTEN WELKER: But sir, you raised  11 the point –  12 PRESIDENT DONALD TRUMP: And by the  13 way, the police, the police –  14 KRISTEN WELKER: Yeah.  15 PRESIDENT DONALD TRUMP: -- are afraid  16 to do anything.  17 KRISTEN WELKER: You, you raised the  18 point that the logistics are complicated. You  19 said it yourself –  20 PRESIDENT DONALD TRUMP: Sure they are.  21 But everything's complicated.  22 KRISTEN WELKER: -- yeah, you need 24  23 times more ICE detention capacity just to deport  24 1 million people per year, not to mention more  25 agents, more judges, more planes. Is it</p> <p style="text-align: right;">Page 12</p>
<p>1 histories, but everyone who's here illegally has  2 to go, is what you're saying.  3 PRESIDENT DONALD TRUMP: I'm saying  4 this. We have to get the criminals out of our  5 country. We have to get people that were taken  6 out of mental institutions and put them back into  7 their mental institution no matter what country  8 it is. Do you know that in Venezuela their  9 prisons are, are at the lowest point in terms of  10 emptiness that they've ever been? They're taking  11 their people out of those prisons by the  12 thousands and they're drop -- and just to get  13 back, because I know exactly what you're getting  14 at. Number one, we're doing criminals and we're  15 going to do them really rapidly. We're getting  16 the worst gang probably with MS-13 and the  17 Venezuelan gangs are the worst in the world.  18 They're vicious, violent people. And you've seen  19 what they've done in Colorado and other places.  20 They're taking over, they're literally taking  21 over apartment complexes and doing it with  22 impunity. They don't care. They couldn't --  23 they just are -- they're in the real estate  24 business, okay?  25 KRISTEN WELKER: You know that local</p> <p style="text-align: right;">Page 11</p>	<p>1 realistic to deport everyone who's here  2 illegally?  3 PRESIDENT DONALD TRUMP: You have no  4 choice. First of all, they're costing us a  5 fortune. But we're starting with the criminals  6 and we've got to do it. And then we're starting  7 with others and we're going to see how it goes.  8 KRISTEN WELKER: Who are the others?  9 PRESIDENT DONALD TRUMP: Others are  10 other people outside of criminals. We have  11 convicted murderers. And we don't mean people  12 that are even on trial. We have people that have  13 murdered numerous people are on our streets and  14 in our farms and we have to get them out of our  15 country.  16 KRISTEN WELKER: What about dreamers,  17 sir? Dreamers, who were brought to this country  18 illegally as children. You said once back in  19 2017 they, quote, "Shouldn't be very worried  20 about being deported." Should they be worried  21 now?  22 PRESIDENT DONALD TRUMP: The dreamers  23 are going to come later, and we have to do  24 something about the dreamers because these are  25 people that have been brought here at a very</p> <p style="text-align: right;">Page 13</p>

<p>1 young age. And many of these are middle-aged  2 people now. They don't even speak the language  3 of their country. And yes, we're going to do  4 something about the dreamers. And –  5 KRISTEN WELKER: What does that mean?  6 What are you going to do?  7 PRESIDENT DONALD TRUMP: I will work  8 with the Democrats on a plan. And if we can come  9 up with a plan, but the Democrats have made it  10 very, very difficult to do anything. Republicans  11 are very open to the dreamers. The dreamers,  12 we're talking many years ago they were brought  13 into this country. Many years ago. Some of them  14 are no longer young people. And in many cases,  15 they've become successful. They have great jobs.  16 In some cases they have small businesses. Some  17 cases they might have large businesses. And  18 we're going to have to do something with them.  19 And –  20 KRISTEN WELKER: You want them to be  21 able to stay, that's what you're saying?  22 PRESIDENT DONALD TRUMP: I do. I want  23 to be able to work something out, and it  24 should've been able to be worked out over the  25 last three or four years and it never got worked</p> <p style="text-align: right;">Page 14</p>	<p>1 up families, so the only way you don't break up  2 the family is you keep them together and you have  3 to send them all back.  4 KRISTEN WELKER: Even kids who are here  5 legally?  6 PRESIDENT DONALD TRUMP: Well, what  7 you've got to do if they want to stay with their  8 father -- look, we have to have rules and  9 regulations. You can always find something out  10 like, you know, "This doesn't work. That doesn't  11 work." I'll tell you what's going to be  12 horrible, when we take a wonderful young woman  13 who's with a criminal. And they show the woman,  14 and she could stay by the law, but they show the  15 woman being taken out. Or they want her out and  16 your cameras are focused on her as she's crying  17 as she's being taken out of our country. And  18 then the public turns against us. But we have to  19 do our job. And you have to have a series of  20 standards and a series of laws. And in the end,  21 look, our country is a mess.  22 KRISTEN WELKER: Let me ask you about  23 some of your other promises on this topic.  24 PRESIDENT DONALD TRUMP: Okay. Yeah.  25 KRISTEN WELKER: You promised to end</p> <p style="text-align: right;">Page 16</p>
<p>1 out. You know, Biden could've done it because he  2 controlled, you know, Congress to a certain  3 extent, right? He could've done something, but  4 they didn't do it. I never understood why  5 because they always seemed to want to do it, but  6 then when it comes down to it, they don't. I  7 think we can work with the Democrats and work  8 something out.  9 KRISTEN WELKER: Let me ask you about  10 another group of people, the estimated 4 million  11 families in America who have mixed immigration  12 status. So, I'm talking about parents who might  13 be here illegally –  14 PRESIDENT DONALD TRUMP: Yeah.  15 KRISTEN WELKER: -- but the kids are  16 here legally. Your Border Czar Tom Homan –  17 PRESIDENT DONALD TRUMP: You're talking  18 about separation?  19 KRISTEN WELKER: Well, I mean there are  20 two aspects to this. Your Border Czar Tom Homan  21 said they can be deported together.  22 PRESIDENT DONALD TRUMP: Correct.  23 KRISTEN WELKER: Is that the plan?  24 PRESIDENT DONALD TRUMP: Well, that way  25 you keep the -- well, I don't want to be breaking</p> <p style="text-align: right;">Page 15</p>	<p>1 birthright citizenship on day one.  2 PRESIDENT DONALD TRUMP: Correct.  3 KRISTEN WELKER: Is that still your  4 plan?  5 PRESIDENT DONALD TRUMP: Yeah.  6 Absolutely.  7 KRISTEN WELKER: The 14th Amendment,  8 though, says that, quote, "All persons born in  9 the United States are citizens."  10 PRESIDENT DONALD TRUMP: Yeah.  11 KRISTEN WELKER: Can you get around the  12 14th Amendment with an executive action?  13 PRESIDENT DONALD TRUMP: Well, we're  14 going to have to get it changed. We'll maybe  15 have to go back to the people. But we have to  16 end it. We're the only country that has it, you  17 know.  18 KRISTEN WELKER: Through an executive  19 action? You're going to –  20 PRESIDENT DONALD TRUMP: You know we're  21 the only country that has it. Do you know if  22 somebody sets a foot, just a foot, one foot, you  23 don't need two, on our land, "Congratulations you  24 are now a citizen of the United States of  25 America." Yes, we're going to end that because</p> <p style="text-align: right;">Page 17</p>

<p>1 it's ridiculous.</p> <p>2 KRISTEN WELKER: Through executive</p> <p>3 action?</p> <p>4 PRESIDENT DONALD TRUMP: Do you know --</p> <p>5 well, if we can, through executive action. I was</p> <p>6 going to do it through executive action but then</p> <p>7 we had to fix COVID first, to be honest with you.</p> <p>8 We have to end it.</p> <p>9 KRISTEN WELKER: Let's talk about</p> <p>10 health care. I've been talking to Republican</p> <p>11 lawmakers on Capitol Hill. They say it's no</p> <p>12 longer feasible to repeal and replace Obamacare</p> <p>13 because it's so entrenched in the system. Do you</p> <p>14 see it that way? Is that now off the table,</p> <p>15 repealing and replacing Obamacare?</p> <p>16 PRESIDENT DONALD TRUMP: So, when John</p> <p>17 McCain let us down by voting, and Murkowski and</p> <p>18 Collins, and whoever it was that voted against,</p> <p>19 but they really let us down. They did us a great</p> <p>20 disservice, because we would've had great health</p> <p>21 -- Obamacare is lousy health care. It's very</p> <p>22 expensive health care for the people. It's also</p> <p>23 expensive for the country, but for the people.</p> <p>24 It's lousy health care. When John McCain gave</p> <p>25 his thumbs down after saying for ten years that</p> <p style="text-align: right;">Page 18</p>	<p>1 KRISTEN WELKER: You did try to</p> <p>2 overturn it. You did have your Justice</p> <p>3 Department try to direct the Supreme Court to</p> <p>4 overturn it.</p> <p>5 PRESIDENT DONALD TRUMP: No, we had a</p> <p>6 little bit of a surprising opinion, to be honest</p> <p>7 with you. If it would've been overturned, we</p> <p>8 would've had much better health care right now.</p> <p>9 But right now we have something that I made the</p> <p>10 best of. I could've made the worst of it and it</p> <p>11 would've fallen by the wayside. I did the right</p> <p>12 thing from a human standpoint. But, you know,</p> <p>13 I'm sort of proud of my decision. At the same</p> <p>14 time, sometimes I regret it. I told the people</p> <p>15 and I gave them the money to do it. I said, "Fix</p> <p>16 it. Make it work." Because people would've</p> <p>17 suffered. But it's too bad that they voted no.</p> <p>18 I wish John McCain, I wish -- he fought for ten</p> <p>19 years on repairing, replacing Obamacare. For ten</p> <p>20 years. And then he voted against. Nobody</p> <p>21 understands it.</p> <p>22 KRISTEN WELKER: Sir, you said during</p> <p>23 the campaign you had concepts of a plan. Do you</p> <p>24 have an actual plan at this point for health</p> <p>25 care?</p> <p style="text-align: right;">Page 20</p>
<p>1 he wants to repeal and replace, okay, and then he</p> <p>2 came out, he put his now famous thumbs down and</p> <p>3 he became a hero to the left, just let me just</p> <p>4 tell you, if we find something better, I would</p> <p>5 love to do it. But unless we find -- but, one</p> <p>6 thing I have to say, I inherited Obamacare, or</p> <p>7 anything else you want -- it's got about 20</p> <p>8 names. But I inherited it. And I had a decision</p> <p>9 to make with health and human services. I had a</p> <p>10 big decision to make. Do I make it as good as we</p> <p>11 can make it or do I let it rot? And a lot of</p> <p>12 political people said, "Let it rot and let it be</p> <p>13 a failure." I said, "That's not the right thing</p> <p>14 to do." And I had very good people in the</p> <p>15 medical area that handled that. And I said,</p> <p>16 "What do you want to do?" I said, "We really</p> <p>17 have an obligation to make it as good as we can,"</p> <p>18 and we did. We made it as good as we can make</p> <p>19 it. Instead of, instead of making it bad, where</p> <p>20 everybody would be calling for its repeal, I made</p> <p>21 it so that it works. Now, it works --</p> <p>22 KRISTEN WELKER: But you did try to</p> <p>23 overturn it, sir.</p> <p>24 PRESIDENT DONALD TRUMP: Well, it's</p> <p>25 lousy. No, no.</p> <p style="text-align: right;">Page 19</p>	<p>1 PRESIDENT DONALD TRUMP: Yes. We have</p> <p>2 concepts of a plan that would be better. But --</p> <p>3 KRISTEN WELKER: Still just concepts?</p> <p>4 Do you have a fully developed plan?</p> <p>5 PRESIDENT DONALD TRUMP: Let me</p> <p>6 explain. We have the biggest health care</p> <p>7 companies looking at it. We have doctors who are</p> <p>8 always looking. Because Obamacare stinks. It's</p> <p>9 lousy. There are better answers. If we come up</p> <p>10 with a better answer, I would present that answer</p> <p>11 to Democrats and to everybody else and I'd do</p> <p>12 something about it. But until we have that or</p> <p>13 until they can approve it -- but we're not going</p> <p>14 to go through the big deal. I am the one that</p> <p>15 saved Obamacare, I will say. And I did the right</p> <p>16 thing. I could've done the more political thing</p> <p>17 and killed it. And all I had to do is starve it</p> <p>18 to death.</p> <p>19 KRISTEN WELKER: You did try to have</p> <p>20 your Justice Department effectively kill it,</p> <p>21 though, sir.</p> <p>22 PRESIDENT DONALD TRUMP: No, no. Kill</p> <p>23 it from a legal standpoint. But from a physical</p> <p>24 standpoint, I made it work.</p> <p>25 KRISTEN WELKER: In -- in your concepts</p> <p style="text-align: right;">Page 21</p>

<p>1 of a plan, sir, will people with preexisting 2 conditions still have coverage? And can you 3 guarantee their prices will not go up? 4       PRESIDENT DONALD TRUMP: The answer is 5 yes, they'll have coverage. You have to have it 6 -- 7       KRISTEN WELKER: And what about their 8 prices -- 9       PRESIDENT DONALD TRUMP: -- because you 10 know what, it's -- 11       KRISTEN WELKER: What about their 12 prices, sir? 13       PRESIDENT DONALD TRUMP: I want the 14 prices to go down. I want to have better 15 healthcare for less money, and there are ways of 16 doing it, I believe. 17       KRISTEN WELKER: Let's talk about 18 abortion, sir. You have taken responsibility for 19 overturning Roe v. Wade. You've said that 20 abortion is now a state issue. There are steps 21 that you could take, though, as president to 22 restrict abortion through executive action 23 without Congress. More than half of abortions in 24 this country are medication abortions. Will you 25 restrict the availability of abortion pills when</p> <p style="text-align: right;">Page 22</p>	<p>1 army veteran, is facing allegations of past 2 sexual misconduct and excessive drinking, which 3 he denies. Mr. Trump told me he has confidence 4 in Hegseth. I also asked him about his choice 5 for FBI director, Kash Patel, a hardline critic 6 of the very agency he's been tapped to lead. 7       [BEGIN TAPE] 8       KRISTEN WELKER: You named Kash Patel 9 to be the next FBI director. 10       PRESIDENT DONALD TRUMP: Yeah. 11       KRISTEN WELKER: He has a list in his 12 book of 60 people that he calls members of the 13 so-called "deep state." It includes Democrats 14 like Joe Biden and Hillary Clinton. It includes 15 former members of your cabinet, from Bill Barr to 16 Christopher Wray. You campaigned on destroying 17 the deep state. Do you want Kash Patel to launch 18 investigations into people on that list? 19       PRESIDENT DONALD TRUMP: No. I mean, 20 he's going to do what he thinks is right. And I 21 will -- 22       KRISTEN WELKER: Well, do you think 23 that's right? 24       PRESIDENT DONALD TRUMP: -- and I will 25 --</p> <p style="text-align: right;">Page 24</p>
<p>1 you're in office? 2       PRESIDENT DONALD TRUMP: I'll probably 3 -- I'll probably stay with exactly what I've been 4 saying for the last two years. And the answer is 5 no. 6       KRISTEN WELKER: You commit to that? 7       PRESIDENT DONALD TRUMP: Well, I 8 commit. I mean, are -- things do -- things 9 change. I think they change. I hate to go on 10 shows like Joe Biden, "I'm not going to give my 11 son a pardon. I will not under any circumstances 12 give him a pardon." I watched this and I always 13 knew he was going to give him a pardon. And so, 14 I don't like putting myself in a position like 15 that. So, things do change. But I don't think 16 it's going to change at all. 17       [END TAPE] 18       KRISTEN WELKER: And when we come back, 19 will President-elect Trump direct his FBI 20 director and attorney general to go after his 21 political enemies? 22       KRISTEN WELKER: Welcome back. In our 23 interview, President-elect Trump defended some of 24 his cabinet picks, including his embattled choice 25 for defense secretary, Pete Hegseth. Hegseth, an</p> <p style="text-align: right;">Page 23</p>	<p>1       KRISTEN WELKER: Do you think that's 2 right, sir? 3       PRESIDENT DONALD TRUMP: If they think 4 that somebody was dishonest or crooked or a 5 corrupt politician, I think he probably has an 6 obligation to do it, but -- 7       KRISTEN WELKER: Are you going to 8 direct him to do it? 9       PRESIDENT DONALD TRUMP: No. Not at 10 all. Not at all. We have two great people that 11 -- we have him, and we have Pam. And Pam Bondi 12 has been like a rocket ship. She's very popular 13 and very good and very fair. And Kash Patel is 14 very fair. I'll tell you. I thought Kash may be 15 difficult because he's, you know, a strong 16 conservative voice, and I don't know of anybody 17 that's not singing his praises. The other day, I 18 was watching, and Trey Gowdy, who's a moderate 19 person and very smart and very respected in the 20 party, he's Kash's biggest fan. He said, "This 21 is the most misunderstood man in politics. He's 22 great." I guess they worked together on the 23 Russia hoax or something, and Trey Gowdy became a 24 fan. Trey, you know, Trey Gowdy. Everybody 25 respects him, and, you know, just like him,</p> <p style="text-align: right;">Page 25</p>

<p>1 others also, I don't know of one negative vote --  2 I don't think he's going to have any negative  3 votes.  4 KRISTEN WELKER: Is it your  5 expectation, though, that Kash Patel will pursue  6 investigations against your political enemies?  7 PRESIDENT DONALD TRUMP: No, I don't  8 think so.  9 KRISTEN WELKER: Do you want to see  10 that happen?  11 PRESIDENT DONALD TRUMP: If they were  12 crooked, if they did something wrong, if they  13 have broken the law, probably. They went after  14 me. You know, they went after me and I did  15 nothing wrong.  16 KRISTEN WELKER: Well, let me ask you  17 this. You said, President Biden, quote, that  18 you're going to appoint a real special prosecutor  19 to go after Joe Biden. You said that during --  20 PRESIDENT DONALD TRUMP: Where did I  21 say that?  22 KRISTEN WELKER: -- the campaign  23 PRESIDENT DONALD TRUMP: Where?  24 KRISTEN WELKER: You said that on Truth  25 Social, June 12, 2023: "I will appoint a real</p> <p style="text-align: right;">Page 26</p>	<p>1 You know, they like to say immigration, I break  2 it down more to the border, but I won on the  3 border, and I won on groceries. Very simple  4 word, groceries. Like almost -- you know, who  5 uses the word? I started using the word -- the  6 groceries. When you buy apples, when you buy  7 bacon, when you buy eggs, they would double and  8 triple the price over a short period of time, and  9 I won an election based on that. We're going to  10 bring those prices way down.  11 KRISTEN WELKER: I want to pause here,  12 because what you're saying is significant.  13 Because you wrote on Truth  14 Social in 2023 that you're going to  15 appoint a real special prosecutor to go after Joe  16 Biden. Now you're saying you're not going to do  17 that.  18 PRESIDENT DONALD TRUMP: I will say  19 this, no, I'm not doing that unless I find  20 something that I think is reasonable, but that's  21 not going to be my decision. That's going to be  22 Pam Bondi's decision, and, to a different extent,  23 Kash Patel, assuming they're both there, and I  24 think they're both going to get approved. But I  25 -- I -- you know, while you ask me that, what</p> <p style="text-align: right;">Page 28</p>
<p>1 special prosecutor to go after the most corrupt  2 president in the history of the United States,  3 Joe Biden --  4 PRESIDENT DONALD TRUMP: Well, that  5 part is true.  6 KRISTEN WELKER: -- and the entire  7 Biden crime family." Are you going to do that?  8 Are you going to go after Joe Biden?  9 PRESIDENT DONALD TRUMP: I'm really  10 looking to make our country successful. I'm not  11 looking to go back into the past. I'm looking to  12 make our country successful. Retribution will be  13 through success. If we can make our success --  14 this country successful, that would be my  15 greatest, that would be such a great achievement.  16 Bring it back. We have a country now that's  17 overridden with crime, that has millions of  18 people that shouldn't be here, that should be in  19 prisons in other countries, that should be in  20 mental institutions. We have drug lords being  21 dropped into our country and told never go back  22 to their country. I'm looking to make our  23 country great. I'm looking to get -- bring  24 prices down. Because, you know, I won on two  25 things, the border and more than immigration.</p> <p style="text-align: right;">Page 27</p>	<p>1 they've done to me with weaponization is a  2 disgrace.  3 KRISTEN WELKER: We'll get to some of  4 that, sir --  5 PRESIDENT DONALD TRUMP: No, no, wait,  6 wait, wait, you can't do one without the other.  7 In the history of our country, nothing like this  8 has ever happened. And I've won these cases.  9 I've won every one and the rest are in the  10 process of being won. Deranged Jack Smith is on  11 his way back to The Hague where he can execute  12 people. This is where he should have stayed. I  13 don't -- I think he's dangerous even being there.  14 But I'll tell you what, what they've done to me  15 in terms of weaponization, indictments,  16 impeachments and everything else. And in the  17 end, it probably helped, because I got the  18 biggest vote, the most votes any Republican's  19 ever gotten in history.  20 KRISTEN WELKER: Do -- Pam Bondi talks  21 about investigating the investigators. Do you  22 want her to investigate Jack Smith based --  23 PRESIDENT DONALD TRUMP: I want her to  24 do what she wants to do.  25 KRISTEN WELKER: -- do you want to see</p> <p style="text-align: right;">Page 29</p>

<p>1 Jack Smith investigated?  2 PRESIDENT DONALD TRUMP: Well, I think  3 he's very corrupt, but I want her to do whatever  4 she --  5 KRISTEN WELKER: Are you going to  6 direct her --  7 PRESIDENT DONALD TRUMP: No, I'm not,  8 I'm not  9 KRISTEN WELKER: -- to prosecute Jack  10 Smith?  11 PRESIDENT DONALD TRUMP: She's a very  12 smart person. She's -- She was a great attorney  13 general in Florida. She's very experienced. I  14 want her to do what she wants to do. I'm not  15 going to instruct her to do it, no.  16 KRISTEN WELKER: Sir, are you going to  17 fire the current FBI director, Christopher Wray,  18 who you appointed?  19 PRESIDENT DONALD TRUMP: Well, I can't  20 say I'm thrilled with him. He invaded my home.  21 I'm suing the country over it. He invaded Mar-a-  22 Lago. I'm very unhappy with the things he --  23 he's done, and crime is at an all-time high.  24 Migrants are pouring into the country that are  25 from prisons and from mental institutions, as</p> <p style="text-align: right;">Page 30</p>	<p>1 place, right? Somebody is the man that you're  2 talking about.  3 KRISTEN WELKER: I asked you last time  4 we sat down for an interview if you were going to  5 pardon yourself. You said no. But now that  6 President Biden has pardoned his son Hunter, are  7 you reconsidering? Might you pardon yourself?  8 PRESIDENT DONALD TRUMP: I didn't do  9 anything wrong. I -- I was given the option, and  10 the lawyers told me -- a very specific lawyer. I  11 don't have to go into who, but very high up in  12 the -- in the administration, said, "Sir, if you  13 pardon yourself, you're going to look guilty, and  14 you did nothing wrong." Oh, I had that option.  15 I could've saved myself a lot of legal fees. But  16 it turned out that I was right. Look at what's  17 gone on. Everything's being dropped. I still  18 have a -- Fani Willis, Fani, a total hoax.  19 That's a total hoax. Every -- it's all being  20 dropped.  21 [END TAPE]  22 KRISTEN WELKER: I also asked the  23 president-elect about NBC News's reporting that  24 President Biden is considering preemptive pardons  25 for some of the people who have clashed with Mr.</p> <p style="text-align: right;">Page 32</p>
<p>1 we've discussed. I can't say I'm thrilled. I  2 don't want to say -- I don't want to, again, I  3 don't want to be Joe Biden and give you an answer  4 and then do the exact opposite --  5 KRISTEN WELKER: We're going to talk  6 about that --  7 PRESIDENT DONALD TRUMP: -- so I'm not  8 going to do that. What I'm going to say is I  9 certainly cannot be happy with him. You take a  10 look at what's happened. And then when I was  11 shot in the ear, he said, "Oh, maybe it was  12 shrapnel." Where's the shrapnel coming from? Is  13 it coming from -- is it coming from heaven? I  14 don't think so. So, we need somebody to  15 straighten -- you know, I have a lot of respect  16 for the FBI, but the FBI's respect has gone way  17 down over the last number of years.  18 KRISTEN WELKER: Don't you have to fire  19 him in order to make room for Kash Patel --  20 PRESIDENT DONALD TRUMP: Yeah, but --  21 KRISTEN WELKER: -- if he is, in fact,  22 confirmed?  23 PRESIDENT DONALD TRUMP: Well, I mean,  24 it would sort of seem pretty obvious that if Kash  25 gets in, he's going to be taking somebody's</p> <p style="text-align: right;">Page 31</p>	<p>1 Trump, including Senator-elect Adam Schiff, Dr.  2 Anthony Fauci, and former Congresswoman Liz  3 Cheney. As part of his response, Mr. Trump  4 lashed out at the January 6th committee, accusing  5 it of unfairly targeting him and even of  6 destroying its records, which the committee  7 denies.  8 [BEGIN TAPE]  9 PRESIDENT DONALD TRUMP: Cheney was  10 behind it.  11 KRISTEN WELKER: Well --  12 PRESIDENT DONALD TRUMP: And so was  13 Bennie Thompson and everybody on that committee.  14 KRISTEN WELKER: We're going to --  15 PRESIDENT DONALD TRUMP: For what they  16 did --  17 KRISTEN WELKER: Yeah --  18 PRESIDENT DONALD TRUMP: -- honestly,  19 they should go to jail.  20 KRISTEN WELKER: So, you think Liz  21 Cheney should go to jail?  22 PRESIDENT DONALD TRUMP: For what they  23 did --  24 KRISTEN WELKER: Everyone on the  25 committee you think --</p> <p style="text-align: right;">Page 33</p>

<p>1 PRESIDENT DONALD TRUMP: I think 2 everybody – 3 KRISTEN WELKER: -- should go to jail? 4 PRESIDENT DONALD TRUMP: -- on the -- 5 anybody that voted in favor – 6 KRISTEN WELKER: Are you going to 7 direct your FBI director – 8 PRESIDENT DONALD TRUMP: No. 9 KRISTEN WELKER: -- and your attorney 10 general to send them to jail? 11 PRESIDENT DONALD TRUMP: No, not at 12 all. I think that they'll have to look at that, 13 but I'm not going to -- I'm going to focus on 14 drill, baby, drill. 15 [END TAPE] 16 KRISTEN WELKER: And I asked President- 17 elect Trump if he plans to follow through on his 18 campaign promise to pardon those who attacked the 19 Capitol on January 6th, including the more than 20 900 people who pleaded guilty to crimes. 21 [BEGIN TAPE] 22 PRESIDENT DONALD TRUMP: I'm going to 23 look at everything. We're going to look at 24 individual cases – 25 KRISTEN WELKER: Everyone?</p> <p style="text-align: right;">Page 34</p>	<p>1 Syrian government fell overnight, a stunning end 2 to the more than 50-year rule of the Assad 3 family, as rebels claim Damascus. I pressed the 4 president-elect on a range of foreign policy 5 issues -- including U.S. support for Ukraine and 6 NATO in his second administration. 7 [BEGIN TAPE] 8 KRISTEN WELKER: Should Ukraine prepare 9 for less aid from the United States after you're 10 sworn in -- 11 PRESIDENT DONALD TRUMP: Possibly. 12 KRISTEN WELKER: -- to office? 13 PRESIDENT DONALD TRUMP: Yeah. 14 Probably. Sure. 15 KRISTEN WELKER: You said you can end 16 the war in 24 hours. You've even said you want 17 to try to end it before you're sworn into office 18 -- 19 PRESIDENT DONALD TRUMP: Well, I'm 20 trying to. I'm trying to end it if I can -- 21 KRISTEN WELKER: You're actively trying 22 to? 23 PRESIDENT DONALD TRUMP: I am. 24 KRISTEN WELKER: Have you talked to 25 President Putin?</p> <p style="text-align: right;">Page 36</p>
<p>1 PRESIDENT DONALD TRUMP: Yeah. 2 KRISTEN WELKER: Okay. 3 PRESIDENT DONALD TRUMP: But I'm going 4 to be acting very quickly. 5 KRISTEN WELKER: Within your first 100 6 days, first day? 7 PRESIDENT DONALD TRUMP: First day. 8 KRISTEN WELKER: First day? 9 PRESIDENT DONALD TRUMP: Yeah. I'm 10 looking first day. 11 KRISTEN WELKER: You're going to issue 12 these pardons? 13 PRESIDENT DONALD TRUMP: These people 14 have been there, how long is it? Three, four 15 years. 16 KRISTEN WELKER: Okay. 17 PRESIDENT DONALD TRUMP: You know, by 18 the way, they've been in there for years, and 19 they're in a filthy, disgusting place that 20 shouldn't even be allowed to be open. 21 [END TAPE] 22 KRISTEN WELKER: And when we come back, 23 President-elect Trump's message to the people who 24 didn't vote for him. 25 KRISTEN WELKER: Welcome back. The</p> <p style="text-align: right;">Page 35</p>	<p>1 PRESIDENT DONALD TRUMP: No, I have 2 not. 3 KRISTEN WELKER: You haven't talked to 4 President Putin -- 5 PRESIDENT DONALD TRUMP: No, I have 6 not. 7 KRISTEN WELKER: -- since you've been 8 elected? 9 PRESIDENT DONALD TRUMP: I mean, no. 10 Well, I don't want to say that. But I haven't 11 spoken to him recently. 12 KRISTEN WELKER: So, you've spoken to 13 President Putin since you've been elected? 14 PRESIDENT DONALD TRUMP: I don't want 15 to say that. I don't want to say anything about 16 that because I don't want to do anything that 17 could impede the negotiation. 18 KRISTEN WELKER: But you -- 19 PRESIDENT DONALD TRUMP: I want to 20 stop-- 21 KRISTEN WELKER: -- have talked about - 22 - 23 PRESIDENT DONALD TRUMP: Let me tell 24 you what -- 25 KRISTEN WELKER: -- the other world</p> <p style="text-align: right;">Page 37</p>

<p>1 leaders.</p> <p>2 PRESIDENT DONALD TRUMP: -- I have</p> <p>3 talked about. Let me tell. There are people</p> <p>4 being killed in that war at levels that nobody's</p> <p>5 ever seen before. You have to go back to the</p> <p>6 Second World War, and even that, if you take a</p> <p>7 look -- and you know what it is? It's the</p> <p>8 soldiers largely. The cities have been emptied</p> <p>9 out and demolished. The country has been</p> <p>10 demolished. If I won that election, which you</p> <p>11 know how I feel about it. I won't get into it</p> <p>12 because we don't need to start that argument. I</p> <p>13 think it's an easy argument. It was really</p> <p>14 proven even more conclusively by the win that I</p> <p>15 had on this one. But--</p> <p>16 KRISTEN WELKER: But you did go to --</p> <p>17 PRESIDENT DONALD TRUMP: -- had I --</p> <p>18 KRISTEN WELKER: -- court, sir. And</p> <p>19 you didn't --</p> <p>20 PRESIDENT DONALD TRUMP: Yeah, well,</p> <p>21 that's your opinion. But I disagree with it.</p> <p>22 Had I assumed, kept control. Number one, Israel</p> <p>23 wouldn't have happened. Number two, Ukraine</p> <p>24 would've never happened. It would've never</p> <p>25 happened, Ukraine, Russia. But the number of</p> <p style="text-align: right;">Page 38</p>	<p>1 have to pay their bills. If they pay their</p> <p>2 bills, absolutely.</p> <p>3 KRISTEN WELKER: But not if they don't</p> <p>4 pay their bills?</p> <p>5 PRESIDENT DONALD TRUMP: But NATO's</p> <p>6 taking advantage of us. Because we were -- look,</p> <p>7 two things. Number one, they take advantage of</p> <p>8 us on trade, meaning the European nations, okay,</p> <p>9 like terrible. They don't take our cars, they</p> <p>10 don't take our food product, they don't take</p> <p>11 anything. It's a disgrace. And on top of that,</p> <p>12 we defend them. So, it's a double-whammy. So,</p> <p>13 let me just tell you, I was able to get hundreds</p> <p>14 of billions of dollars put into NATO just by a</p> <p>15 tough attitude. I said to the countries, "I'm</p> <p>16 not going to protect you unless you pay," and</p> <p>17 they started paying. And that amounted to more</p> <p>18 than \$600 billion. That's a big thing.</p> <p>19 Otherwise they wouldn't even be fighting. They</p> <p>20 wouldn't have any money to fight. If they're</p> <p>21 paying their bills, and if I think they're doing</p> <p>22 a fair -- they're treating us fairly, the answer</p> <p>23 is absolutely I'd stay with NATO.</p> <p>24 KRISTEN WELKER: But if not, you would</p> <p>25 consider the possibility of getting out?</p> <p style="text-align: right;">Page 40</p>
<p>1 people that are being killed, soldiers, young,</p> <p>2 beautiful soldiers, hundreds of thousands of</p> <p>3 people are being killed. And, you know, it's</p> <p>4 very interesting. It's level. Totally level,</p> <p>5 the battlefields. Totally level. You know</p> <p>6 what's happening? The only thing that stops a</p> <p>7 bullet, you know what it is? Is a body, a human</p> <p>8 body. And the people that are being killed,</p> <p>9 hundreds of thousands on both sides. Russia's</p> <p>10 lost probably 500,000 --</p> <p>11 KRISTEN WELKER: It's devastating.</p> <p>12 PRESIDENT DONALD TRUMP: Ukraine's lost</p> <p>13 higher than they say, probably 400,000. You're</p> <p>14 talking about hundreds of thousands of bodies</p> <p>15 lying all over the fields. It's the stupidest</p> <p>16 thing I've ever seen, and it should've never been</p> <p>17 allowed to happen. Biden should've been able to</p> <p>18 stop it.</p> <p>19 KRISTEN WELKER: Sir, will the United</p> <p>20 States stay in NATO while you're in office?</p> <p>21 PRESIDENT DONALD TRUMP: In where?</p> <p>22 KRISTEN WELKER: NATO. Do you commit</p> <p>23 that the United States will remain a member of</p> <p>24 NATO while you're in office?</p> <p>25 PRESIDENT DONALD TRUMP: Again, they</p> <p style="text-align: right;">Page 39</p>	<p>1 PRESIDENT DONALD TRUMP: Absolutely.</p> <p>2 Yeah, absolutely.</p> <p>3 [END TAPE]</p> <p>4 KRISTEN WELKER: The president-elect is</p> <p>5 tasking Elon Musk, the billionaire CEO of Tesla</p> <p>6 and SpaceX, to try to cut government spending</p> <p>7 along with one of Mr. Trump's former primary</p> <p>8 rivals, businessman Vivek Ramaswamy. All of it</p> <p>9 putting a spotlight on what it could mean for</p> <p>10 entitlements and defense spending.</p> <p>11 [BEGIN TAPE]</p> <p>12 KRISTEN WELKER: You've tapped Elon</p> <p>13 Musk, Vivek Ramaswamy to head up this Department</p> <p>14 of Government Efficiency --</p> <p>15 PRESIDENT DONALD TRUMP: Correct.</p> <p>16 KRISTEN WELKER: -- which proposes cuts</p> <p>17 to the federal government. Think a lot of people</p> <p>18 hear that and they get concerned about Medicare</p> <p>19 and Social Security and Medicaid --</p> <p>20 PRESIDENT DONALD TRUMP: You're not</p> <p>21 going to have anything to do --</p> <p>22 KRISTEN WELKER: And defense spending.</p> <p>23 PRESIDENT DONALD TRUMP: We're talking</p> <p>24 about --</p> <p>25 KRISTEN WELKER: You won't touch</p> <p style="text-align: right;">Page 41</p>

<p>1 Medicare --</p> <p>2 PRESIDENT DONALD TRUMP: -- theft --</p> <p>3 KRISTEN WELKER: -- Social Security?</p> <p>4 PRESIDENT DONALD TRUMP: -- abuse,</p> <p>5 fraud. No. I said to people we're not touching</p> <p>6 Social Security, other than we make it more</p> <p>7 efficient. But the people are going to get what</p> <p>8 they're getting.</p> <p>9 KRISTEN WELKER: Okay. Entitlements</p> <p>10 off the table?</p> <p>11 PRESIDENT DONALD TRUMP: And we're not</p> <p>12 raising ages or any of that stuff.</p> <p>13 KRISTEN WELKER: Ok. Off the table?</p> <p>14 PRESIDENT DONALD TRUMP: I won't do it.</p> <p>15 [END TAPE]</p> <p>16 KRISTEN WELKER: Finally, I asked the</p> <p>17 president-elect about this extraordinary moment</p> <p>18 in time. He is taking office against the</p> <p>19 backdrop of a country that is so sharply divided,</p> <p>20 and when he has yet to concede the 2020 election,</p> <p>21 which he lost.</p> <p>22 [BEGIN TAPE]</p> <p>23 KRISTEN WELKER: And sir, I don't have</p> <p>24 to tell you this, because you've talked about it.</p> <p>25 It comes at a time when the country is deeply</p> <p style="text-align: right;">Page 42</p>	<p>1 KRISTEN WELKER: Sir, Democrats have</p> <p>2 control of the White House now. They didn't in</p> <p>3 2020. If they are going around stealing</p> <p>4 elections, why didn't they do it this time --</p> <p>5 PRESIDENT DONALD TRUMP: When you say</p> <p>6 Democrats have control now --</p> <p>7 KRISTEN WELKER: Of the White House.</p> <p>8 So, why didn't they steal this election? Since</p> <p>9 they have more power now?</p> <p>10 PRESIDENT DONALD TRUMP: Because I</p> <p>11 think it was too big to rig.</p> <p>12 KRISTEN WELKER: So, you won't --</p> <p>13 PRESIDENT DONALD TRUMP: It was too big</p> <p>14 to rig.</p> <p>15 KRISTEN WELKER: To the people who say</p> <p>16 that you're now directing your Justice Department</p> <p>17 to investigate 2020 and they want to move on --</p> <p>18 PRESIDENT DONALD TRUMP: No, I think</p> <p>19 Pam is going to be great --</p> <p>20 KRISTEN WELKER: Is that a good use of</p> <p>21 precious resources? Is that what you want them</p> <p>22 to do --</p> <p>23 PRESIDENT DONALD TRUMP: By the way,</p> <p>24 just so you know, I have the right to do that but</p> <p>25 I'm not interested in that.</p> <p style="text-align: right;">Page 44</p>
<p>1 divided, and now you're going to be leading this</p> <p>2 country for the next four years. For the sake of</p> <p>3 unifying this country, will you concede the 2020</p> <p>4 election and turn the page on that chapter?</p> <p>5 PRESIDENT DONALD TRUMP: No. No, why</p> <p>6 would I do that? But let me just tell you --</p> <p>7 KRISTEN WELKER: You won't ever concede</p> <p>8 --</p> <p>9 PRESIDENT DONALD TRUMP: -- when you</p> <p>10 say the country is deeply divided, I'm not the</p> <p>11 president. Joe Biden is the president.</p> <p>12 KRISTEN WELKER: But you're going to be</p> <p>13 the president.</p> <p>14 PRESIDENT DONALD TRUMP: No, no. I'm</p> <p>15 not the president. So, when you say it's deeply</p> <p>16 divided, I agree. But Biden's the president, I'm</p> <p>17 not. And he has been a divider. And you know</p> <p>18 where he divided it more than anything else, and</p> <p>19 it probably backfired on him. I think definitely</p> <p>20 is weaponization. When he weaponized the Justice</p> <p>21 Department and he went after his political</p> <p>22 opponent, me. He went after his political</p> <p>23 opponent violently because he knew he couldn't</p> <p>24 beat him. And I think it really was a bad thing,</p> <p>25 and it really divided our country.</p> <p style="text-align: right;">Page 43</p>	<p>1 KRISTEN WELKER: Oh, you're not?</p> <p>2 You're not going to do that?</p> <p>3 PRESIDENT DONALD TRUMP: I'm not</p> <p>4 interested. I have the absolute right. I'm the</p> <p>5 chief law enforcement officer, you do know that.</p> <p>6 I'm the president. But I'm not interested in</p> <p>7 that. You know what I'm interested in?</p> <p>8 Drilling, and getting prices down, and stopping</p> <p>9 people from pouring into our border that come</p> <p>10 from prisons and mental institutions.</p> <p>11 KRISTEN WELKER: One of the things that</p> <p>12 made this campaign unprecedented and</p> <p>13 extraordinary were the horrific attempts against</p> <p>14 your life. Two assassination attempts. Do you</p> <p>15 feel safe going into the White House --</p> <p>16 PRESIDENT DONALD TRUMP: I do --</p> <p>17 KRISTEN WELKER: -- for the next four</p> <p>18 years? Why?</p> <p>19 PRESIDENT DONALD TRUMP: I have</p> <p>20 confidence in Secret Service. I know the people.</p> <p>21 I got to know a lot of them, and I have</p> <p>22 confidence. It was a bad moment. Something</p> <p>23 shouldn't have happened. But I have a lot of</p> <p>24 confidence, and they really stepped it up. They</p> <p>25 were restricted from giving the -- look, I do a</p> <p style="text-align: right;">Page 45</p>

<p>1 rally, and you were at many of them. And I'd 2 have 50,000 people. Joe would have a rally and 3 he'd have 30 people. And he had more Secret 4 Service than me. My Secret Service was always 5 asking for more manpower slash woman power. They 6 were asking for more and more, and more, and they 7 couldn't get it. I'm not blaming them really, 8 because they were always fighting for more 9 people. And they wouldn't get -- now, boy, do we 10 have it.</p> <p>11 KRISTEN WELKER: I want to ask you, 12 sir, one final question. What do you want to say 13 to Americans who didn't support you in this 14 campaign?</p> <p>15 PRESIDENT DONALD TRUMP: I'm going to 16 treat you every bit as well as I have treated the 17 greatest MAGA supporters. There's never been 18 anything like MAGA in the history of this 19 country. These people are so dedicated to making 20 America great again. It's very simple. And I'm 21 going to treat them just the same as I treat 22 MAGA. We're going to treat everybody good. We 23 want success for our country, we want safety for 24 our country. You know our country's under 25 threat, as you know. We have tremendous threat</p> <p style="text-align: right;">Page 46</p>	<p>1 the highest anyone -- McLaughlin and Fabrizio 2 said, "George Washington and Abraham Lincoln, if 3 they came back from the dead and they ran as 4 president and vice president, couldn't beat you, 5 sir." We were doing so well. And I was getting 6 along with the left. Let's call it the left. 7 We'll be nice, okay? We're just going to call it 8 -- but I was getting along with people that you 9 would consider liberal or progressive, as they 10 like to say, at levels that I never thought was 11 possible. And you know what it was? Success. 12 Success was bringing the country together, and 13 that's what I want to do.</p> <p>14 [END TAPE]</p> <p>15 KRISTEN WELKER: And when we come back, 16 President-elect Trump gives us a preview of his 17 inaugural address.</p> <p>18 KRISTEN WELKER: Welcome back. When 19 Mr. Trump is sworn in as president in January, he 20 will be the oldest person ever to assume the 21 office. I asked Mr. Trump about what he will say 22 in that inaugural address and whether he will 23 release his medical records.</p> <p>24 [BEGIN TAPE]</p> <p>25 KRISTEN WELKER: Let me ask you, sir,</p> <p style="text-align: right;">Page 48</p>
<p>1 militarily because of the power of weapons and 2 weaponry. There's tremendous threat, nobody 3 talks about it. But it's tremendous threat. I 4 want to treat everybody the same. I want to 5 treat them well. And at the end of this four 6 years -- and I have a big head start, because I 7 was there for four years fairly recently. A lot 8 of bad things were done during the four years 9 that I wasn't there. And mostly -- and what 10 they've done in terms of our reputation overseas 11 -- our reputation is so bad, so shot. I got to 12 bring it back, and I also have to, have to bring 13 back civilization to our country. Our country is 14 a crime pod and we have to get rid of crime. We 15 have so many things to do. We have to do the 16 prices, we have to do all of that. But we have 17 to get the criminals out of our country. We have 18 to bring down crime. People have to be able to 19 walk across the street and buy a loaf of bread 20 without being shot. And that's going to happen. 21 But what I say to them is I love you, and we're 22 going to all work together. And we're going to 23 bring it together. And you know what's going to 24 bring it together? Success. I saw that just 25 prior to COVID coming in, I had polls that were</p> <p style="text-align: right;">Page 47</p>	<p>1 as you think about your inauguration. I remember 2 your first inaugural address, you talked about 3 American carnage. Have you thought about your 4 message for your second inaugural address?</p> <p>5 PRESIDENT DONALD TRUMP: I have. It's 6 --</p> <p>7 KRISTEN WELKER: Can you give us a 8 preview?</p> <p>9 PRESIDENT DONALD TRUMP: -- unity. 10 We're going to have a message. It will make you 11 happy: unity. It's going to be a message of 12 unity. And again, I think success brings unity, 13 and I've experienced that. I've experienced it 14 in my first term. As I said, we're going to be 15 talking about unity, and we're going to be 16 talking about success, making our country safe, 17 keeping people that shouldn't be in our country - 18 - we have to do that. I know it doesn't sound 19 nice, but we have to do that. But basically it's 20 going to be about bringing our country together.</p> <p>21 KRISTEN WELKER: Sir, when you think 22 about your time in office, you are making history 23 for a range of reasons, including the fact you 24 will be the oldest person to be sworn into 25 office. Do you commit to releasing your medical</p> <p style="text-align: right;">Page 49</p>

<p>1 records?</p> <p>2 PRESIDENT DONALD TRUMP: Sure, I do it</p> <p>3 all the time. I think I've released four of</p> <p>4 them.</p> <p>5 KRISTEN WELKER: Not just a letter</p> <p>6 though. Your -- your full medical report.</p> <p>7 PRESIDENT DONALD TRUMP: Yeah, I would,</p> <p>8 and I think anybody should. But I -- I mean,</p> <p>9 according to all the reports, I don't want to --</p> <p>10 where's wood? Is this a wood where I can knock</p> <p>11 on wood? But my reports are very good, very</p> <p>12 strong.</p> <p>13 KRISTEN WELKER: So, you plan to</p> <p>14 release them?</p> <p>15 PRESIDENT DONALD TRUMP: Sure, no</p> <p>16 problem with it.</p> <p>17 [END TAPE]</p> <p>18 KRISTEN WELKER: You can watch our full</p> <p>19 interview with President-elect Donald Trump at</p> <p>20 NBCNews.com. And when we come back, the panel is</p> <p>21 here for reaction.</p> <p>22 (Break)</p> <p>23 KRISTEN WELKER: Welcome back. The</p> <p>24 panel is here. NBC News Managing Washington</p> <p>25 Editor Carol Lee; Eugene Daniels, White House</p> <p style="text-align: right;">Page 50</p>	<p>1 folks should probably be in jail." And so you</p> <p>2 know, that message comes off as a little bit</p> <p>3 mixed. And he's saying it knowing that the</p> <p>4 people that he's putting in these jobs are people</p> <p>5 who share his views on these issues. And so</p> <p>6 it'll be very interesting to see how that plays</p> <p>7 out.</p> <p>8 KRISTEN WELKER: It will be, Eugene.</p> <p>9 And to hear him back away from what he had posted</p> <p>10 on Truth Social, that he did want to go after</p> <p>11 President Biden. He backed away from that. He</p> <p>12 said his success is going to be his retribution.</p> <p>13 But, as Carol notes, there was some mixed</p> <p>14 messaging, broadly speaking. He had some pretty</p> <p>15 strong language for the January 6th Committee.</p> <p>16 EUGENE DANIELS: Yeah. I think one of</p> <p>17 things that was most fascinating is he didn't</p> <p>18 seem very combative in this interview, right?</p> <p>19 Including on those points, right? He said some</p> <p>20 names. He said "Bennie Thompson, Liz Cheney.</p> <p>21 Maybe they should be in jail, maybe not. That's</p> <p>22 someone else's decision." But he didn't want to</p> <p>23 fight with you, right? And that's something that</p> <p>24 he often wants to do. So, it shows you, one,</p> <p>25 that he feels emboldened. He won this election.</p> <p style="text-align: right;">Page 52</p>
<p>1 correspondent for Politico and co-author of</p> <p>2 Politico Playbook; former White House Press</p> <p>3 Secretary Jen Psaki, host of Inside with Jen</p> <p>4 Psaki; and Marc Short, former chief of staff to</p> <p>5 Vice President Mike Pence. Thanks to all of you</p> <p>6 for being here on a very big Sunday. Carol, let</p> <p>7 me start with you. You broke the news earlier</p> <p>8 this week that President Biden was going to</p> <p>9 pardon his son, Hunter. It's just one of the</p> <p>10 many topics we discussed. What were your key</p> <p>11 takeaways from this conversation?</p> <p>12 CAROL LEE: Well, a couple of things,</p> <p>13 Kristen. You know, I was struck by how</p> <p>14 succinctly the president-elect summed up his</p> <p>15 mandate. He said, "I won on the border and I won</p> <p>16 on groceries," and how quickly he plans to move</p> <p>17 on both of those fronts. And then his posture on</p> <p>18 retribution against his perceived political</p> <p>19 adversaries. You know, he is suggesting that</p> <p>20 he'll keep some distance from the FBI and the</p> <p>21 Justice Department in a way, perhaps, he didn't</p> <p>22 during his first term. So, he's saying, you</p> <p>23 know, "Those decisions about investigations,</p> <p>24 they'll be left up to the people that I put in</p> <p>25 those agencies. However, you know, some of these</p> <p style="text-align: right;">Page 51</p>	<p>1 He feels ready to move on. And I thought what</p> <p>2 was most fascinating is the -- there's no</p> <p>3 ideological purity with him. And that popped up</p> <p>4 over and over and over again, right? Just a</p> <p>5 patchwork of different policy prescriptions for</p> <p>6 things that usually, if you're a Republican,</p> <p>7 there's kind of, you know, "This, this, and this,</p> <p>8 and that's what we care about." That wasn't here</p> <p>9 with Donald Trump. And I think that kind of</p> <p>10 gives voters what they wanted, which was not</p> <p>11 exactly a Republican who's going to do all of the</p> <p>12 things that Republicans typically do.</p> <p>13 KRISTEN WELKER: It's a fascinating way</p> <p>14 to put it, Marc, that there's no ideological</p> <p>15 purity that we heard. But he was very clear</p> <p>16 about what his agenda items were, and he feels</p> <p>17 emboldened that he believes he has a mandate</p> <p>18 after his decisive win.</p> <p>19 MARC SHORT: Well, he should. And I</p> <p>20 thought he looked very relaxed and confident in</p> <p>21 your long interview, covering a lot of topics. I</p> <p>22 do think that you're going to see a flurry of</p> <p>23 activity in the first 100 days from the executive</p> <p>24 branch. But I do think something that's being</p> <p>25 underappreciated here from a legislative agenda</p> <p style="text-align: right;">Page 53</p>

<p>1 is, what is the legislative agenda? The one item  2 that's really there is going to be trying to  3 renew the tax relief package from 2017. And when  4 that was passed, 12 House Republicans defected.  5 So, we talk about the fact that there are 53  6 Republican senators, which should help in those  7 confirmations. But Speaker Johnson's going to  8 have an enormous task next year, and it's going  9 to be a really hard job. And he really is going  10 to have hardship, one or two members at all to  11 actually can lose. And so getting legislation  12 through the Congress is going to be very  13 difficult. And certainly, if Trump isn't getting  14 his way he is going to blame Senate and House  15 leadership for that.</p> <p>16 JEN PSAKI: And those tax cuts are very  17 unpopular across the country, which is another  18 challenge --</p> <p>19 MARC SHORT: Oh, I don't know about  20 that. Come on.</p> <p>21 JEN PSAKI: They are in every piece of  22 data, Marc --</p> <p>23 MARC SHORT: The economy is one of the  24 reasons he won.</p> <p>25 JEN PSAKI: They're in every piece of</p> <p style="text-align: right;">Page 54</p>	<p>1 not a difference in what he intends to do or what  2 he wants the people he's nominating to do.</p> <p>3 KRISTEN WELKER: It's a really critical  4 point. He's also put hardliners in charge of his  5 immigration policy, which I thought it was a big  6 headline for him to say, "We are deporting  7 everyone." Eugene, though he said, yes, he wants  8 to try to work out a deal for Dreamers.</p> <p>9 EUGENE DANIELS: Yeah. I think that is  10 where he's thought the most about, when you're  11 thinking about what his policies are going to be,  12 is immigration. When you went through tick by  13 tick by tick of the kinds of things that we're  14 seeing, he had a lot of ideas. And it was kind  15 of the most clarity we've gotten on immigration  16 from him. I will also say, he and his team feel  17 like he has the backing of the American people,  18 especially on mass deportation. Because in some  19 polls, 53 percent of Americans say that they are  20 for mass deportation. Now, when you dig into  21 kind of what that means and whether you want your  22 neighbors to get out of the country, or you know,  23 what happens with children, or when you see that  24 woman that he's talking about getting pulled  25 away, is that different? And he talked about it,</p> <p style="text-align: right;">Page 56</p>
<p>1 data. That's why it's interesting --</p> <p>2 MARC SHORT: It's one of the reasons he  3 won.</p> <p>4 JEN PSAKI: -- that it's -- it's in his  5 agenda.</p> <p>6 MARC SHORT: If that was the case,  7 Kamala would've done a lot better if that was the  8 case.</p> <p>9 JEN PSAKI: You know, one of the things  10 that struck me, Kristen, yes, the tone was  11 different, but it doesn't mean it's a difference  12 in his priorities or his policies. Because even  13 when it talks -- when you, when you listen to  14 what he had to say about retribution,  15 "Retribution will be through success." That's  16 not saying he's not going to go after his  17 political enemies. What I heard was him trying  18 to give some space for himself for plausible  19 deniability. Because he picked these people, and  20 Carol touched on this -- Pam Bondi and Kash Patel  21 are election deniers. Kash Patel is somebody who  22 has empathized with QAnon. They know what the  23 direction is. He does not need to direct them.  24 This is why he picked them. They have passed the  25 loyalty test. So, what struck me is more tone,</p> <p style="text-align: right;">Page 55</p>	<p>1 I think most interestingly, "The public might  2 turn against us on immigration," so they have to  3 be careful there, is what he's saying.</p> <p>4 KRISTEN WELKER: Carol.</p> <p>5 CAROL LEE: That was what struck me, is  6 that he seemed a little uncertain about how some  7 of this stuff's going to play out. Yes, he's  8 going to do it. But you know, when you talk  9 about birthright citizenship, you know, first of  10 all there are other countries that have  11 birthright citizenship.</p> <p>12 It's not just the United States. But  13 he said, "If we can do it by an executive order.  14 Maybe we'll have to take it to the people," you  15 know, suggesting some sort of constitutional  16 amendment. And on mass deportations, he talked  17 about how this might play out publicly. He talks  18 about the woman who's crying, and the cameras are  19 capturing her as she's being deported. And he  20 said, you know, "Then the public turns against  21 us." So, he's not real confident that this is  22 going to play out exactly how he wants it to be.</p> <p>23 KRISTEN WELKER: Such a revelatory  24 moment there. Jen, we talked about foreign  25 policy as well. Of course we're all watching</p> <p style="text-align: right;">Page 57</p>

<p>1 what's happening in Syria. The government has  2 been toppled. I talked to him about Ukraine and  3 NATO. Boy, he really left the door open to  4 potentially pulling out of NATO.  5 JEN PSAKI: He certainly did, which I  6 don't think should be a surprise. He also  7 refused, after you pushed him repeatedly, to  8 answer the question as to whether he'd talked to  9 Vladimir Putin. And when you --  10 KRISTEN WELKER: Yes. I tried. I  11 tried it.  12 JEN PSAKI: Certainly. When you look  13 at the statement he put out in response to Assad  14 fleeing the country, it was almost defensive of  15 Putin and defensive of the Russians' interest.  16 So, this is definitely a massive shift. There is  17 an allegiance, an affinity for Russia that is  18 different than what we have had in Democratic and  19 Republican presidents for decades.  20 KRISTEN WELKER: And Marc, he was very  21 clear, there will likely be less funding for  22 Ukraine, with the last 30 seconds we have.  23 MARC SHORT: Well, sure. That's been  24 his position all along. I think that the ones  25 who are celebrating most right now in the</p> <p style="text-align: right;">Page 58</p>	<p>1 CERTIFICATION  2  3 I, Sonya Ledanski Hyde, certify that the  4 foregoing transcript is a true and accurate  5 record of the proceedings.  6  7  8  9 <u>Sonya M. <p>1 situation in Syria is the fact that -- I should  2 say, the ones who I think are most concerned are  3 Putin, the Ayatollah, and Tulsi Gabbard.  4 KRISTEN WELKER: And by the way, I  5 asked him about Tulsi Gabbard. He said he has  6 confidence in her and Pete Hegseth, who's also  7 another embattled Cabinet pick. Thank you all  8 for being here for a fantastic conversation.  9 That is all for today.
